

Omega Netball Club - Playing Fees and Refund Policy

Playing fees:

In accordance with KDNA By-Laws 5 & 6 ([July 2025](#)), players must not take the court without appropriate fees / insurance paid.

Omega Netball Club requires full season registration fees to be paid prior to placement in a team for the upcoming season. Fees are set annually based on the recommendation of the committee and agreed at the AGM. Fees are payable for the Autumn and the Spring Seasons separately.

Omega is a community club and as such does not profit from fees charged. Club registration fees cover KDNA team registration fees, training equipment, first aid supplies, coaching uniforms, club activities and general administrative expenses. All coaching staff and committee members work on a voluntary basis.

Late registration: players who join 5 games or more after the start of the season will be eligible to receive a discount of 50% on the Omega club registration fees, for that season.

Netball Victoria Membership:

Netball Victoria Membership fees are payable annually at the first time of registration in the calendar year. Netball Victoria membership fees are payable in addition to Omega Netball Club registration fees, via Netball Connect.

Single game vouchers:

Netball Victoria offers a single game voucher to be purchased to allow an individual to participate as a player in a particular game to which the voucher relates. A maximum of 3 single game vouchers may be purchased per year, before a player must pay their full Omega club registration fees and Netball Victoria membership fees.

Netball Victoria membership fees and single game vouchers are not refundable as they are paid directly to Netball Victoria via Netball Connect.

Refunds of club registration fees

Injury:

Players who miss more than 50% of the regular season through injury may be eligible to receive 50% of their current season fees club registration fees refunded.

Players should apply to the club with an explanation of their injury. The club may request medical documentation as evidence prior to approving a refund.

Withdrawal:

Players who withdraw prior to the commencement of the first round can apply to the club for a full refund, minus administrative fees.

Players who withdraw following the commencement of the season for personal reasons are not eligible to receive a refund.

Withdrawals must be communicated to the club via email to omeganetball@gmail.com.

Financial hardship

Families experiencing financial hardship may wish to contact the club to arrange a payment plan.

New Members

New members wishing to trial with Omega before committing to a full season should contact the club via omeganetball@gmail.com to explore options available.
